

Six items, in order. Domains today, agent before any filing.

0 OF 6 DONE

☐
01 TODAY
~\$15 CAD each

Buy headwaters.ca and watershed.ca
Cloudflare Registrar — at-cost renewals, no upsells. Get both before someone else does.

cloudflare.com/products/registrar

☐
02 TODAY
~\$15–25 CAD each

Defensive registrations
If budget allows: watershedhq.ca, headwatersmoney.com, watershed.app, headwaters.app. Cheap insurance against squatters.

cloudflare.com/products/registrar

☐
03 THIS WEEK
Free

Run the CIPO direct trademark search
Search 'Headwaters' and 'Watershed' in Class 36 (insurance & financial) and Class 9 (electrical, scientific & teaching apparatus and software). Free, ~10 minutes.

ised-isde.canada.ca/cipo/trademark-search

☐
04 THIS WEEK
~\$8 CAD/month

Set up you@headwaters.ca
Google Workspace. Real email beats a Gmail address for a real agency — especially when Dad reads the contract.

workspace.google.com/business

☐
05 BEFORE FILING OR PRINTING
\$300–500

Engage a Canadian trademark agent
Paid clearance opinion. Don't file, don't print, until they sign off. Specifically ask about the Watershed Asset Management overlap in Class 36. Use the IPIC directory of registered Canadian trademark agents.

ipic.ca/find-an-ip-professional

☐
06 BEFORE INCORPORATING
~\$15

NUANS name search for 'Headwaters'
Federal or Ontario corporate name availability. Required before you can file articles of incorporation.

nuans.com

CASH OUT THIS WEEK

\$405–\$645 CAD

One-time: domains, defensive registrations, trademark agent opinion, NUANS search.

RECURRING AFTER THAT

\$8 CAD / month

Google Workspace for you@headwaters.ca. Domains renew yearly at cost.

RULE OF SEQUENCE

Buying domains doesn't lock you in. Filing a trademark does. Don't sequence those backwards.
