**CANADA WEST
MAPLE**

THUNDER BAY

MADE FROM THE
MAPLE BEST OF CANADA

OUR PURPOSE

100% VERY CANADIAN

We are extremely passionate about premium quality products and the age old Canadian staple that is maple syrup. The making of maple syrup is a process that brings family, friends, and even strangers together to tackle the tasks of splitting wood to fuel the boilers, carrying buckets of sap from the trees, and staying up late watching the syrup cook away. It is an amazing experience and yields a very sweet reward. Our goal is to deliver this experience to you from our sugar bush to your table.

OUR LITTLE
**200ml
FLASK**
is the
**FLAGSHIP
BOTTLE**
of our product line

OUR SIGNATURE FLASK

The little flask that could. This bottle started in a Thunder Bay, Ontario sugar bush and is the flagship of our product line. Featured in the Fall 2022 Jillian Harris JillyBox, this flask is inspired by Canada's bootlegger moonshine past and combines an exceptional backwoods made product with fancy hand drawn labels.

OUR HOME AWAY FROM HOME

“THE SUGAR BUSH”

The Sugar Bush is where all the magic happens each spring. As the winter begins to thaw in Northern Ontario, sugar makers head into the forests to tap trees and collect the sweet maple sap that comes out. The sap is poured into large wood fired evaporators or boilers to reduce the sap by forty times its original volume into the liquid gold that is pure maple syrup. Our syrup is harvested for only a five-week period each spring in the great maple forests of Thunder Bay, St. Josephs Island, and Manitoulin Island in Northern Ontario, Canada.

WE RECOGNIZE
*the
longstanding
tradition*

of maple syrup harvesting
on the traditional territory of

FORT WILLIAM
FIRST NATION

as well as
many other nations across
Canada and are honoured to be
a part of this tradition.

THE LAND BEFORE US

Maple syrup is a sweet tradition that has existed in Canada since time immemorial and is part of the longstanding culture and seasonal food cycle of Indigenous peoples throughout the land that is now called Canada. We recognize the tradition of syrup making on the traditional territory of Fort William First Nation and the contributions of the Métis people in this craft.

PRESERVING THE FUTURE

Happy trees make the best maple syrup. One of our greatest passions is the work we do in the protection and nurturing of Ontario maple forests. Working with the forest product industry, provincial government as well as numerous other community groups, we have ensured that old growth maple forests are recognized as a valuable economic and cultural resource that are worthy of protective efforts.

We also recognize that our children's climate future is in our hands, which is why our pure maple syrup is boiled using wood fuel sustainably harvested from our sugar bushes. It may take us a little longer to make our syrup than our fossil fuel burning competitors, but we believe sustainability is the best investment for our future

CANADA WEST MAPLE

LINE-UP

THUNDER BAY, ONTARIO *Canada*

PURE MAPLE SYRUP

FLASK 200 ml

100% Pure Very Canadian Maple Syrup. This is the good stuff. Tapped from Northern Ontario sugar maple trees each spring, this syrup is rich and full of maple flavour. We take pride in making our wood fired syrup which slowly caramelizes the maple syrup, giving it a flavour that is unmatched in depth and taste. For the full Northern Ontario sugar shack experience, mix a little in your late night whisky...

BLUEBERRY MAPLE SYRUP

FLASK 200 ml

This one is a winner. A partnership between Lake of the Woods Brewery in Kenora, ON and our syrup. This syrup is made by infusing wild blueberries into a Canada Grade A Dark syrup base to ensure you get the best of both, an authentic blueberry flavour without masking the taste of our maple syrup. Best on waffles, pancakes, or fried chicken.

PURE MAPLE SYRUP

BOSTON ROUND 946 ml

The same great wood fired goodness as our flasks, but now in a larger glass bottle to keep you stocked with syrup for the long haul. Our boston rounds are for the serious maple lover. No need for examples of use here. And, boy, does it look good on the table.

BLUEBERRY MAPLE SYRUP

BOSTON ROUND 946 ml

For those of you who just can't get enough of our blueberry syrup, we have you covered. This larger format bottle will keep your family satisfied with blueberry goodness for weeks to come.

MAPLE LEAF GLASS

Our 'Leaf Series' is great for sending to your friends and family overseas to remind them of Canada or to share the maple experience with someone who has never tried 100% pure maple syrup before. The 50ml is plane friendly and light weight.

BULK JUGS

Our 'Jug Series' is for those of you who just can't get enough of our maple goodness. The 2 Litre (largest jug pictured) is for you big time maple fans out there. We see you, and we thank you for the support! Whether you've knocked out white sugar and are substituting maple or just love it in EVERYTHING, this jug will keep you happy.

MAPLE SUGAR

Made using only 100% Pure maple syrup, maple sugar is made by boiling off all of the remaining water content found in the syrup so that all that remains is the fine granules of pure maple sugar. This sugar packs a pleasant amount of maple flavour from the process of concentrating the sugars. Use this in baking, coffee, tea, or sprinkle on top of your BBQ salmon or pork.

PANCAKE MIX

This pancake mix is truly a product of Northwestern Ontario. We joined up with Jeff from Brule Creek Farms, Northwestern Ontario's only flour mill, to combine our maple sugar with his grown and milled hard red spring wheat flour. These traditional pancakes would be at home in a 1920's lumber camp in the Dog River-Matawin Forest, on your next canoe trip to the backcountry or on your dining room table on a wintery Sunday morning to feed your hungry kiddos.

CORPORATE GIFT BOXES AND PARTNERSHIPS

Has your team been putting in the extra miles these past few years? Clients too? Are you tired of handing out the same corporate branded coffee mugs and water bottles to your best clients each Christmas? Put the tote bags down! We've got your back. Our gift boxes are the perfect solution to your corporate and client gift giving needs. Carefully curated collections of our maple products and Sugar Shack candies will be sure to please anyone.

CORNER STORE BOX \$35

Found in every town and city across Canada, the corner store has the basics covered. Our Corner Store box includes, maple syrup and pancake mix as well as a wide selection of retro Canadiana sweets.

THE SUGAR SHACK BOX \$55

Our Sugar Shack box is a display of the sugarmakers craft. Maple Syrup, maple candies, maple taffy, maple sugar, maple pancakes and maple sap showcase the wide range of products that can be created in the sugarbush each spring.

ARE YOU LOOKING TO SHOWCASE YOUR COMPANY WITH A CUSTOM BRANDED BOTTLE OF MAPLE SYRUP?

Gift your customers or workforce a bottle of maple syrup with your branding or allow our design team to create a custom branded label that will be sure to impress.

*Minimum order quantities and extended lead-time will be required for custom projects

WHOLESALE OPPORTUNITIES

RETAILERS

We are always looking to grow our sugar bush family and would be honoured to have our products on your store shelves. We are proud to say that we can ship our products to anywhere in Canada or around the world. Please take a look at our stocklist insert for pricing and order quantities.
